

Vaudoise fondue

Informations

People: 4

Ingredients

- 250 g of Gruyère AOP Moléson 9 months
- 250 g of Gruyère AOP Moléson 12 months
- 250 g of Gruyère AOP Moléson 20 months
- 25 cl of dry white wine

Preparation steps

- 1. Cut the cheese into thin strips and remove the rind.
- 2. Pour the wine into the fondue pot and heat.
- 3. Quickly add the cheese and stir to mix with the wine.
- 4. Continue stirring the mixture with a wooden spoon in a figure 8 pattern until the cheese is melted and the fondue is smooth.
- 5. Light the warmer for the fondue on the table. Place the fondue pot on top while stirring the cheese.
- 6. You're all set! Enjoy your cheesy fondue!
